Communications & Staff Report

1. Jorgensen and Associates have been hired for the CLG mapping project. We expect to start within the next week.
2. Email from Esther Judge regarding demolition permit review. Esther wrote that she noticed demolitions in east Jackson and could not find the permit applications on the Town GIS or in the posted TCHPB agendas. Kelly Bowlin, Jackson Development Coordinator, was copied on the email. She let Esther know that the Town does not post demo permits on their GIS as the County does.
3. We've submitted an application for Old Bill's Fun Run, including a request for a Run Day booth.
4. The updated Town of Jackson Historic Preservation LDRs have been released. Michael emailed them to you on 4/27/21 or you may access them here. <http://townofjackson.com/520/Design-Guidelines>
